Important

Note: Mixing directions can change depending on the price and quality of local available raw materials.

- To achieve good results, follow these mixing instructions exactly! Do not alter or change without consult.
- Always make sure all cattle have access to ad libitum forages/silages.
- Make sure cows always have access to fresh, cool and clean water.
- The amount of feed per animal is depending on production level.
- The Beef meal intake is ad libitum.
- For more advice, ask ask the local Koudijs representative.
